EMMAUS BOROUGH COUNCIL

PERSONAL APPEALS, PART I

A. John Donches, 559 Minor Street – stated that he reviewed his Personal Appeal from the December 2, 2013 Council Meeting and noted that there were several corrections needed. He stated that he asked if the Borough of Emmaus could issue a formal written invitation to the East Penn School District to play on the Legion Field. He also noted that the minutes state that Mr. Pepe did not speak with the Superintendent when in fact he has spoken to him. Mr. Pepe responded that Mr. Donches did not ask for a formal written request and Mr. Barrett responded that Dr. Waddell spoke with Dr. Seidenberger. Mr. Donches stated that he would like the Borough to issue a formal written invitation to the East Penn School District to play on the Legion Field.

COMMUNITY MINUTE

Mr. Brown stated that during the last snow event he rode along in the plows with the Public Works Department. He stated that Borough policy is to make sure the streets are cleared from curb to curb and that sometimes during the plowing process the snow gets pushed back onto the residents' sidewalks. He stated that while he was riding with the Public Works Department a gentleman got very angry and approached the plow because he cleared his sidewalks prior to the plows going by and the plows pushed the snow back up on his sidewalks. Mr. Brown encouraged residents to wait until the plows have cleared the streets to clear their sidewalks and driveways and reminded that residents have 24 hours after the storm ends to clear their sidewalks. He stated that the Public Works Department is doing its best to clear snow in a timely manner and thanked them for their hard work and dedication during snow removal and asked residents to be courteous to the plow drivers.

DECISION ON BIDS

Mr. Pepe reported that 2 bids were received for the 2014-2016 Lawn Mowing Bid. Bids were received from Genos Greens, LLC., and Allyear Inc., t/a Aurora Landscape & Lawn Care. Staff recommends awarding the bid to Allyear Inc., t/a Aurora Landscape & Lawn Care. Mr. Holtzhafer asked which Committee the bid was referred to. Mr. Pepe responded that he believes the bid was discussed during a Committee meeting, but could not recall which one. He stated that Mr. Dychala handled the bid, and it was bid out at the same time of year as the previous bid. Mr. Barrett asked if the bid is considerably different than the last time it was bid. Mr. Pepe responded that the bid specs are identical to the last time it was bid. Mr. Pepe responded that the bid is for 3 years and that the 2014 is approximately \$800 more than the 2013 bid. Mr. Brown stated that he believed the borough was purchasing a tractor to cut the areas listed in the bid spec. Mr. Pepe responded that the Publics Work Department has cut man power and that it would be difficult to cut the areas. Mr. Labenberg stated that he believes the bid should be reviewed at the Committee level. Mr. Shubzda asked if the bid was won by the current company and if there have been any complaints about them. Mr. Pepe responded that Mr. Dychala has not received any complaints. He stated that if Council prefers they can reject the bids. Mr. Barrett asked if Council rejects the bids if the companies that bid this time would be able to bid again. Mr. Pepe responded affirmatively. Mr. Barrett suggested referring the item to the Committee level. Mr. Labenberg stated that he will support this bid for the years 2014-2016, but believes the item should be addressed at the Committee level.

Mr. Pepe informed Council that he met with Brad Youst from Hanover Engineering to discuss the subdivision at 44 Klines Lane. Mr. Youst suggested that it would be very difficult to subdivide the property and would require hydraulic studies, sewer studies, and water run-off studies, totaling approximately \$10,000.00 in cost. Mr. Youst suggested that the Borough vacate a section of S. 1st Street, which will give the property owners on both sides of the street one-half of the street. After vacating the
