There'll Be Dancin' In the Streets

Join us on the newly renovated Triangle Park on Friday, August 14 from 6:00 p.m. until midnight as we celebrate 250 years of Emmaus. Following the opening ceremonies it will be time to kick up your heels and dance the evening away to the traditional sounds of the Walt Groller Orchestra and the rockin' and rollin' of Emmaus' own Vinyl Diner. Food and beverages that will tempt even the most discerning palate will be available at the Emmaus eateries. Whether under the giant tent on Main Street or under the stars on the Triangle, Friday's event promises to be a party that Emmaus will never forget.

Triangle Park Dedication

Everyone's been eagerly watching the Emmaus Triangle being transformed into a beautiful space that will serve as a gathering place for generations of Emmaus residents, businesspeople and visitors. On Saturday, August 15 at 9:00 a.m., a formal dedication will be held, which will include many exciting special guests, including esteemed officials and those responsible for the design and construction of the town's centerpiece. Plan to attend to show your appreciation to everyone who worked so hard to make the Emmaus Triangle a showpiece of the community. Look for the kiosk donated by the Emmaus Rotary Club, the drinking fountain donated by the Emmaus Kiwanis Club, the flower planting design developed by the Emmaus Garden Club and the fountain donated by Otterbine-Barebo.

Everyone Loves a Parade

The Anniversary Parade on August 15 will be a monumental one not to be missed. Get your spot along the parade route and cheer your neighbors as they march by. It begins at 10:30 a.m. and will follow the same route as the annual Halloween Parade: starting at Keystone and Ridge Streets, heading west on Ridge to Sixth Street, turning a slight corner to Walnut Street, continuing west to Ninth Street, turning south onto Ninth to Chestnut Street, turning east onto Chestnut Street, continuing to Main Street and then turning north on Keystone. Parade highlights to date are a Mummers Marching group, the Emmaus Sentinel's debut and NASA Challenger Space Shuttle replica Blake, carrying the 1959 Emmaus Time Capsule from the past through the present and into the future. For those of you who traditionally host Halloween Parade parties, the Celebration Parade will be the perfect excuse to host some morning revelry.

Time Capsule Opening—Once in a Lifetime

For most of us, witnessing the opening of a Time Capsule will be a once in a lifetime opportunity. The 1959 Time Capsule, unearthed from its burial spot on the Triangle, will be opened for public viewing on August 15 at 5:00 p.m., at the Samuel Landis Arts Pavilion at Emmaus Community Park. A preliminary inventory shows all items to be exquisitely preserved. Catch a glimpse of Emmaus in 1959 as artifacts from the Capsule will be on public display for the first time. See the pageantry, the hilarity, and the community spirit that made the 1959 Anniversary Celebration a most special time in Emmaus history. The Capsule contains 49 personal items deposited by individuals and organizations for pick-up on Aug. 15. If you or your organization believes that the Capsule contains an item for you, contact Craig Neely at 610-966-6357 or cneely@borough.emmaus.pa.us so that he can advise you if an item is indeed there. We will be disbursing the items to their intended recipients as part of the ceremony. Enjoy the fun as we relive history through immaculately prepared and maintained photos, records, and memorabilia.

Brothers and Belles Recreate History

Witness a recreation of the Emmaus 1959 Celebration come alive with the Brothers of the Brush and the Centennial Belles. At 3:00 p.m. on August 15 at Community Park the Brothers and the Belles will compete for awards based on the Brothers' beards and the Belles' beauty. See the disappointment in the Brothers' eyes as they are subjected to the mandatory post-judging Shave-Off. Relive the past with the creative reverence paid by the Brothers and the Belles to the heroes of the 1959 Celebration.

Closing Ceremonies to be an Explosive Spectacle

Beginning at 7:30 p.m. on August 16, the Grand Celebration Weekend will close with a bang at the Emmaus High School stadium, Cedar Crest Blvd. and North Street, where music will grace the grandstands, with the likes of the Macungie Band and the Summer Harmony Men's Chorus. Join us as we say farewell to the weekend's festivities and hello to Emmaus' next 50 years. Following a brief ceremony and the concert, the sky will explode with grandeur as fireworks will light the sky, announcing the end to the weekend, but reminding us of the vibrant enthusiasm of the Emmaus community and the brightness of its future.

Helpful Tips and Suggestions

The Committee encourages as many people who can walk to events to do so. Parking will be limited, even though the Committee is arranging for shuttle buses for some events. During the parade and Triangle Dedication on August 15, many streets, including Main Street, will have parking prohibitions. There will be overflow parking with shuttle bus transportation at the Emmaus High School Lot on Macungie Avenue and North Streets. Please take advantage of our pedestrian friendliness as much as possible.
